To Applicant's Current School Personnel: The above named student is in the process of applying to Bishop Stang High School. Please complete this form in the knowledge that it may be retained in the student's file should the student matriculate at BSHS. In accordance with the Family Educational Rights and Privacy Act of 1974, the parents of matriculating students do have access to their permanent files which may include forms such as this one. BSHS does not provide access to admissions records of applicants, those students who are denied admission or those students who decline an offer of admission. BSHS does not discriminate on the basis of race, color, national or ethnic origin, age, sex or religion as required by Title IX of the Educational Amendments of 1972 and other federal legislature. **Please submit this recommendation directly to the Bishop Stang Admissions Office.** Mail: 500 Slocum Road, Dartmouth, MA 02747 • Fax: 508-994-6756 • Email: admissions@bishopstang.org Phone: 508-996-5602

Whom should we contact if we have any questions about the information provided?

Referral Name & Title:

Referral Phone & Email:

College Preparatory B (CPB): Open to students with identified difficulties in any content area. Courses integrate academic support, foundational learning and study skills (note-taking, organization and time management). Skill development relative to the specific content area is emphasized.

College Preparatory A (CPA): Open to students who demonstrate strong aptitude, academic performance, learning skills and motivation. Courses are characterized by detailed content requiring application, analysis and evaluation of the material presented.

Honors: Open to students who are very well-motivated, willing to take responsibility for learning and show evidence of superior academic performance & ability. Courses are characterized by extensive content requiring greater depth of application, analysis, use of concepts, independent research and outside reading.

Advanced Placement (AP): Courses provide 11th and 12th grade students the opportunity to pursue college level studies while in secondary school. Students are required to take the AP Exam in each course taken.

Recommend a course level placement	CPB	CPA	Honors	AP (11/12 only)
Recommend a mathematics class	Algebra I	Geometry	Algebra II	
	Other course:			
Class participation	Above Average	Average	Below Average	
Completion of homework	Above Average	Average	Below Average	
Study/Organizational skills	Above Average	Average	Below Average	
Willingness to seek help when needed	Above Average	Average	Below Average	
Ability to work independently and stay on task	Above Average	Average	Below Average	
Ability to apply learned knowledge	Above Average	Average	Below Average	
Ability to analyze data	Above Average	Average	Below Average	
Mathematics program aligned to Common Core	Yes	No
