

Establish Capacity and Deadlines for Transfer

Deadline for Transfers

The Board shall accept students through the last day of school unless capacity is reached. In the 2016 - 2017 school year, that date will be May 25, 2017.

Capacity

The following capacities will be established by the Board and published on the school's website. These capacities are for the 2016-2017 school year.

Kindergarten	325 Students
Grades 1 - 2	325 Students per Grade
Grades 3 - 4	325 Students per Grade
Grades 5 - 8	325 Students per Grade
Grades 9 - 12	Unlimited

If the total number of students requesting to transfer to Plymouth Community School Corporation does not exceed the capacity per grade level that has been established and published by the Board, students will be recommended for acceptance at the Board meeting immediately after receipt of their application.

If the total number of students requesting to transfer to Plymouth Community School Corporation exceeds the capacity per grade level established and published by the Board, a lottery will be held at the next Board meeting to determine the students to be recommended for acceptance at the next Board meeting immediately after receipt of their application.
