

Rockpile Sponsor Spotlight RUOFF Home Mortgage ADA Compliance Text for video

PHS student Anna Hite says: “Today we are shining the spotlight on RUOFF Manager Steve Hissong for our Spotlight Sponsorship Series.”

Steve Hissong and the local RUOFF Home Mortgage team sponsored this planter that sits outside the Rockpile home entryway.

The RUOFF Home Mortgage office in Plymouth is located at 552 Oak Drive.

We asked Steve Hissong, the vice president and branch manager, why his office decided to be a rockpile sponsor, let’s see what he had to say.

Steve Hissong

VP, Branch Manager

“RUOFF has been in this community for approximately five years and we wanted to give back and support the local students in the high school and school corporation in this area. Having it at the entrance of the Rockpile really is a nice way for everyone to see that we can support this great organization.”

PHS student Anna Hite says: Plymouth High School would like to thank the RUOFF Home Mortgage office in plymouth for their dedication and commitment to Plymouth High School. If you are a business owner or community member who is interested in a Rockpile sponsorship please contact the Plymouth Community School Corporation’s marketing department at marketing@plymouth.K12.in.us. I’m Anna Hite with this special Rockpile Sponsor Spotlight.
