More community  
funding matches in  
years to come!

## **MARSHALL COUNTY PROMISE**

MARSHALL County is coming together to support all youth in the development of their college and career identity through college and career discovery, academic readiness, and educational savings.

### **WE PROMISE**

- To help all kids dream big and prepare them for the future
- To come together as a community to celebrate their dreams
- To make it easy for families to establish college savings accounts and support savings for education beyond high school (trade school, certification, degree)

### **ACTIVITIES FOR FAMILIES**

- Bring your student's Social Security number with you to school registration to enroll in a College Choice 529
- Students will participate in college and career discovery in their classroom
- Students will attend "Walk Into My Future" field trip on campus at **ANCILLA COLLEGE** (Look for more information soon to join us there!)

### **JUMP STARTING YOUR SAVINGS**

- Just for completing enrollment in CollegeChoice529 at school registration, our sponsor will make the first \$25 investment in your child's account
- No other deposit is required to receive this gift

**REMEMBER! LOOK FOR US AT SCHOOL REGISTRATION THIS YEAR!**
