## PLYMOUTH FOP LODGE 195 AND EMERGENCY SERVICES ANNUAL AUCTION

Plymouth FOP Lodge 195, in conjunction with WTCA, is currently soliciting items and services to be auctioned off with proceeds benefiting children in Marshall County.

Last year we took **150** children shopping. Each child was allowed to spend approximately \$100.00 on outerwear, warm clothing and a toy. The experience of working with these children and their parents/grandparents is very heartwarming. Also, thanks to the **generosity** of our community, we provided \$77.00 gift cards to **77** elderly individuals. While working with Real Services we were able to give these cards to deserving seniors. That's not all **our community** did...we also helped make Christmas brighter for more than **25** clients of Marshall Starke Development Center who don't have families to share the holiday with.

Would you please consider making a donation to this year's event and help make the holiday happier for a child or senior in our community? If so, please include your name, so that we may thank you on the radio, and a value of your donation with any important details for the auction.

***Thank you for your consideration!***
