

**BUTTE**  
SCHOOL DISTRICT NO. 1

## Memo

**To:** Butte School District Families

**From:** Butte School District Nurses

**CC:** Butte School District Administrators

**During the pandemic we are temporarily suspending the Over the Counter School Med Policy – this allowed students with signed permission to receive Tylenol, Ibuprofen, Tums and Benadryl from the nurse or trained staff member on an “as needed” basis. Cough drops will no longer be dispensed by school personnel during the pandemic.**

**Thank you**

**Butte School District Nurses**
