- 2- Packages of Baby wipes (100 count)

Items to consider keeping at school: (not required)
A change of clothing in the event of spills/accidents

Please follow the list as closely as possible to help develop and maintain organization within and between school and home. These products also tend to last longer, usually avoiding the need to replace items mid-year.

Please do not send pencils, rulers, and other items that are not on the list. The children get very disappointed when they need to take them back home.

A pair of gym shoes for daily P.E.
