Dear Parents/Guardians:

Helping your child realize the value of education is extremely important. Your presence at school is one way to show your love and encouragement. The students, staff and I invite you to volunteer your time and talents. Volunteering is a great way to show your support to your child and the Grass School District.

The school district utilizes volunteers in a variety of capacities including field trips, chaperones, classroom helpers, office/administrative work, etc. Volunteers enrich the student experience and help students reach their full potential.

Anyone interested in volunteering should contact my assistant, Monica Rustemeyer to be placed on the volunteer list. Once we have a list of volunteers, there will be a group meeting to review the volunteer process.

We know your time is at a premium, but we hope this invitation will empower you to come in and volunteer. Together, we can make a difference in the lives of our students.

Sincerely,

Dr. William Newby
Superintendent
