

## COMMUNITY HIGH SCHOOL DISTRICT 128 Photo / Video Opt-Out Form

Community High School District 128 staff members regularly take photographs and video footage of students throughout the school year as they participate in school activities, events and during the regular school day. These photos are used in District publications, on the District 128 web site, the District 128 Facebook page, and are often shared with local newspapers.

**By signing this form, I am stating that District 128 does not have permission to photograph or video tape my student for purposes detailed above for the current school year.**
