MESSAGE FROM OUR DISTRICT ADMINISTRATOR

Hello, T ASD Families! We hope you enjoy this week's PAWS! Thank you so much for being our partner as we continue our journey adapting to the disruption COVID 19 has had on the educational space. At every level in the organization, innovative practices implemented by our T ASD family of employees to address the impact of the pandemic maintain our strong commitment to academics and co-curricular activities in this evolving landscape. With your strong support and partnership, challenges have turned to opportunities focused on promoting student growth. **It's a journey, and together we have made progress!** We continue to monitor conditions daily to deliver an instructional model dedicated to the healthy classroom environment for your children and our faculty. Thank you for your support and understanding as we take time to build the safest path forward. Have a safe and wonderful weekend, everyone!
