

WEEKLY PAWS

TOMAH AREA SCHOOL DISTRICT

for week ending
MARCH 12, 2021

Happy Friday TASD Families!

The school year has flown by, and the district continues its journey through this extraordinary time. Thank you so much for your support and partnership every step of the way! Our students and faculty are staying busy with many classroom and co-curricular activities. Our district website and social media accounts are great places to find valuable information and see the incredible gifts and talents of our students and our Tomah Area School District employee family!

There is a Regular Board of Education Meeting schedule for Monday (3/15/21) beginning at 6:00pm. Meetings are open to the public and a [live stream link](#) is also available on our website for virtual attendance. The agenda is packed with several recognitions to celebrate some of the recent successes within our community of learners.

The board will also act on a recommendation from TASD administration to revise the current middle and high school hybrid model to increase in-person learning days. You can read this recommendation within the [board agenda](#) which is posted on our district website. This topic continues to be an important one as it correlates to the safety of our student and staff population. I deeply appreciate the thoughts and views many of our community members have shared with me and the board of education. Thank you very much for all you have done this year to make our district a great place for our students to learn and grow.

Have a great weekend everyone!
