Butler School District 53 will conduct a free developmental screening of children ages 3 to 5 years old. The preschool screening will be completed in phases. Children should live in the district and not be enrolled in Kindergarten.

Phase 1:

Phase 1 includes parents completing the Parent Questionnaire for Preschool Screening (attached to this letter). After completing the questionnaire, submit to Andrea Prola, Director of Student Services. The Parent Questionnaire can be mailed or emailed to the following locations:

Phase 2:

Once the Parent Questionnaire is received, you will be contacted and invited to complete the ASQ-3 Ages & Stages Questionnaires. Each questionnaire poses questions about your child that are related to communication, gross motor, fine motor, problem solving, and social-emotional needs. After completing the questionnaire, please submit to Andrea Prola, Director of Student Services.

Phase 3:

Questionnaires must be completed and returned to Andrea Prola by October 8, 2018 before continuing to Phase 3.

Once the questionnaire is scored, results will be shared with parents. During the sharing of results, if additional assessments are needed, your child will be invited to participate in Phase 3 of the screening. This process includes you and your child invited to the Oak Brook Park District. Your child will be assessed in the areas of speech and language, large and small muscle skills, social/emotional development, hearing, and vision. Phase 3 of the screening will take place on Thursday, October 18, 2018 at the Oak Brook Park District, 1450 Forest Gate Road, Oak Brook, Illinois.

If you have any questions, please contact Andrea Prola, Director of Student Services.

We look forward to welcoming you into District 53 and partnering with you very soon!

Sincerely,

Andrea Prola

Director of Student Services
