

Butler Junior High School Supply List

The following items are to guide your back to school shopping for our 6th, 7th, and 8th grade students. Please know each teacher may have special requests for school supplies during the first week of school. Therefore, we advise you to shop lightly until your child attends all of his or her classes during the first week of school.

We look forward to the upcoming weeks!

Andrea Prola, Principal & Melissa Zaniewski, Assistant Principal
