Dear Butler 53 Families,

Butler School District 53 will conduct a free developmental screening for children who are 3 to 5 years old, residents of the District, and not enrolled in kindergarten. The preschool screening will be completed in phases, described below.

**Phase 1**

Parents/guardians complete the Parent/Guardian Questionnaire for Preschool Screening (attached to this letter). The completed Parent/Guardian Questionnaire should be returned to the District via email or mail, as follows:

**Phase 2**

After the Parent/Guardian Questionnaire is submitted, you will be contacted and invited to complete the ASQ-3 Ages & Stages Questionnaires. The questionnaires will elicit additional information about your child, through questions relating to communication, gross motor, fine motor, problem solving, and social-emotional needs. The completed ASQ-3 Ages & Stages Questionnaires should be returned to the District via email or mail, as follows:

**ASQ-3 Ages & Stages Questionnaires must be completed and returned to Andrea Prola by \_\_\_\_\_, 2019.**

After the ASQ-3 Ages & Stages Questionnaires are scored, results will be shared with parents/guardians. If additional assessments are needed, your child will be invited to participate in Phase 3 of the screening.

**Phase 3**

If your child is identified for additional assessments (Phase 3), your child will be assessed in the areas of speech and language, large and small muscle skills, social-emotional development, hearing, and vision. Phase 3 of the screening will take place on \_\_\_\_\_, 2019 at the Oak Brook Park District, 1450 Forest Gate Road, Oak Brook, Illinois.

If you have any questions about the screening process, please contact Andrea Prola, Director of Student Services. We look forward to welcoming you into District 53 and partnering with you very soon.

Sincerely,
