Crossroads Christian School Mission, Vision & Philosophy

Philosophy

Crossroads Christian School is an independent, inter-denominational school. The highest possible achievement for any child is to understand and follow God's plan and purpose. We believe that school is an institution that provides assistance to parents in fulfilling the God given responsibility of training their children. Our goal is for every student to come to know Jesus Christ as their Lord and Savior and grow in knowledge of Him. To this end, CCS teachers and students pray and study the Bible daily.

As all truth is rooted in the Bible, Christ and the Bible are central to every subject and activity. The school addresses each of these inter-related components: spiritual, intellectual, social, emotional, and physical. Teacher-student relationships and small class sizes are emphasized. Academic and extra-curricular activities are available for students to develop individual strengths. We provide an education that establishes an outstanding academic and spiritual foundation and prepares students for their future.

CCS Policies

Crossroads Christian School admits students of any race, color, nationality, and ethnic origin to all rights, privileges, programs and activities generally accorded or made available to students at the school. Crossroads Christian School does not discriminate on the basis of race, color, nationality, or ethnic origin in administration of its educational policies, admissions, scholarship and loan programs, athletic programs, or other school administered programs.

Crossroads Christian School's biblical role is to work in conjunction with the home to mold students to be Christ-like. On occasion, the atmosphere or conduct within a particular home may be counter or in opposition to the biblical lifestyle the school teaches. This includes, but is not necessarily limited to, sexual immorality, homosexual sexual orientation, or inability to support the moral and scriptural principles of the school. In such cases, the school reserves the right, with its sole discretion, to refuse admission of an applicant or to discontinue enrollment of a student.

Mission

Crossroads Christian School, in its quest to develop students of God and lifetime followers of Christ, is dedicated to providing students a quality, academically challenging, Bible-centered education.

Vision

Students from Crossroads Christian School will gain wisdom, knowledge, and a biblical worldview as evidenced by a maturing relationship with Christ and a lifestyle of character, leadership, service, stewardship and worship.
