

Steel Valley Student Council Service Project

# GAVIN'S MEMORY MITTENS

Please help us decorate Gavin's tree in the high school lobby with donations of NEW mittens, hats, gloves, warm socks, and scarves. We will collect items during the months of November and December. All items will then be donated to children of the Steel Valley community who need them for the upcoming winter season.

*This operation is in honor and memory of Baby Gavin Thomas who passed away suddenly and unexpectedly on 12/28/2007 at almost 3 months of age. Gavin is "forever in our hearts."*
