Guidance Counselor

February 19, 2018

Dear Parents and Guardians,

The safety of our students is extremely important to us, and each month we have a drill for what would happen if an intruder were to enter the building. Officer Bruner, a police officer who works with the Keystone Oaks School District, heard about these drills and asked if he could come in. He observed a drill this morning, and he was incredibly impressed with the procedures that are in place, and with the way the students responded.

Officer Bruner will be taking what he learned today back to Keystone Oaks, and the students and staff there will be safer because of it. Other police officers and school administrators may be coming to observe in the future, and I want to thank Officer Boehme, our School Resource Officer, and the Park staff for everything they have done to make this happen. It is a testament to their hard work and dedication that Park Elementary School serves as a model for other districts.

Sincerely,

Dr. Thomas Shaughnessy
Principal
