Dear Parents and Guardians,

We have some great news to share. Our School Wide Positive Behavior Support Program has received top-marks from the state, and Park will be formally recognized in May. Reviewers from the state were in earlier this week – we needed to score 80% on their rubrics to be recognized. We scored **100%**, and the reviewers were very impressed. In addition to examining the behavior supports we have in place, the reviewers also considered things such as school safety, communication, and climate.

Scoring 100% on this kind of a review is a tremendous accomplishment, and I want to thank the members of our School Wide Team for all of their hard work. And thanks to all of the teachers and staff for making this happen. This was a team effort, and this is something the entire school community should be proud of.

Sincerely,

Dr. Thomas Shaughnessy  
Principal
