

Hi boys and girls!

I can't wait for the Science Center Assembly next Tuesday – it's going to be a lot of fun!

Please remind your parents that it's really important for you to come to school! Kids who miss just two days of school a month are less likely to go to college! Also, please remind them that there's a PTO meeting next Wednesday at 6:00 in the gym.

Have a nice weekend boys and girls, and I'll see you on Monday!
