Dear Steel Valley Community,

Within the past few days, two of our recent graduates were shot and killed, one in Homestead and one in the City of Pittsburgh. We extend our heartfelt condolences to the families and friends of the deceased.

Such a sudden loss can be traumatic, and we are willing to help. Yesterday and today we had grief counselors available to meet with anybody who was struggling with these losses. If you notice changes in your child's behavior, talk to your child about their concerns and be sure to listen with an open mind and caring heart. If your child needs additional support, please call the school or one of the following service providers:
