

Hi boys and girls!

The assembly on Wednesday was great, and Valentine's Day was a lot of fun. I can't wait for the My Special Person Dance tonight - I've been practicing my dance moves since Christmas!

Please ask your parents not to park or drive on the grass across the street from the school. We want to be good neighbors. Also, please remind them that it's really important for you to be in school. Kids who miss just two days of school a month are less likely to go to college.

Have a nice weekend boys and girls, and I'll see you on Monday!
