Students celebrated what makes them diverse and how they can live together through learning about celebrity sports players, entertainers and game changers.

Third grade students created a cookbook, which included recipes from each of their family heritages. A copy of the cookbook was provided to the Board members. They also cooked sweet potato pie, Caribbean coconut rice and peas, and Mung bean dessert to taste. Ms. Bost noted that students were encouraged to leave an imprint by learning and sharing their history.

The Fine Arts is a cornerstone of what we do, and special recognitions in art, music and drama were celebrated. Good luck to **Tony Salopek, Frank Guzzi** and **Gavin Rosso** at the WPIAL championships for a chance to go to states.

Mr. **Bryan Macuga**, Secondary Campus Principal, made a presentation on the rationale for prerequisites. Also presenting were Associate Principal **Mr. Strom, Mrs. McCallister, Mr. Vickers, Mrs. Geyer** and **Mrs. Logan**. The first reason for the prerequisites was to challenge students, and the High School SPP score increased from 51.8 in 2016-2017 to 65.3 in 2017-2018. We had the highest jump in Pennsylvania (13.5 points) due to rigor and appropriate placement of students.

The prerequisites have helped teachers differentiate instruction more effectively and meet students where they are. With the prerequisites, there are smaller class sizes and instruction is ahead of where it was last year. Mr. Macuga thanked the School Board for its support of the prerequisites, and he reported that the 2019-2020 Academic Handbook would be presented at the March Board meeting.
