

Hi boys and girls!

3rd graders, you did a great job at the Council Meeting, and the parade was a lot of fun!

Kindergarteners – I hope you enjoyed the Grand Finale – I did. You learned a lot this year and are definitely ready for 1st grade!

3rd and 4th graders, I can't wait for the Science and Math Olympiad next week.

1st and 2nd graders – you're going to have a great time on your Field Trips next Friday!

Please let your parents know there will be a plant sale outside the school on Monday following dismissal.

Have a nice weekend boys and girls, and I'll see you on Monday.
