

Hi boys and girls!

3rd and 4th graders, awesome job at the Science and Math Olympiad! I was really proud to see how well you worked together.

Kindergarteners – I hope you enjoyed the Grand Finale – I did. You learned a lot this year and are definitely ready for 1st grade! And 4th graders, Step-up Day was awesome. You've been working hard at Park Elementary, and Middle School will be a piece of cake!

1st and 2nd graders – I'm glad you had fun on your Field Trips! 3rd and 4th graders – I'm sure you're looking forward to yours next week!

Next week is going to be a lot of fun. There's no school on Monday, our Carnival is on Wednesday, and the Park / Barrett Activity Day is on Friday.

We have some important announcements from the PTO:

- Cash Bash tickets are \$5 off until May 31st. Don't miss out on the Early Bird special!
- Thank you for all of the Field Day donations. They will be put to good use this year and in the future.
- Volunteers for the Carnival on Wednesday should be at the school by 8:00 a.m. Volunteers for Field Day on Friday should report to the "A" Field at 8:00 a.m.

The Best Buy Geek Squad Academy is being hosted by the Best of the Batch Foundation again this year. It will be held at Barrett Elementary School on June 19 and 20. This incredible tech camp is for all students entering grades 4 – 8. They send a group of camp instructors from all over the country to teach our students how to code, make music, and navigate the world of technology. You won't want to miss it. Sign up by picking up a form in your school office or at the Batch Foundation.

Project Chuck is a summer basketball program for boys and girls from age 7 to 18. If you are interested in signing up, please stop in the Batch Foundation on West Street to register.

Have a nice long weekend boys and girls, and I'll see you on Tuesday.
