May 30, 2019

Dear Parents and Guardians,

For the second year in a row, our School Wide Positive Behavior Support program has been formally recognized by the state. As many of you know, last year Park received a perfect score on an in-depth evaluation that focused on school culture, student behavior, school safety, and communication. This year Park was recognized for continuing to excel in all of those areas.

Members of our School Wide Positive Behavior Support team accepted the award while presenting at a state conference earlier this month. The team previously presented at a regional conference, and was selected to present at the state conference to talk to educators from across Pennsylvania about the good things happening here. They did a great job and received a lot of positive feedback. I want to recognize and thank the members of our School Wide Positive Behavior Support team, and all of the Park teachers and staff, for going above-and-beyond to make this happen!

Sincerely,

Dr. Thomas Shaughnessy
Principal
Park Elementary School
