

This is a message for Park Elementary School kindergarten students.

Hi boys and girls! This is Dr. Shaughnessy, your new principal. It was nice meeting so many of you yesterday night! I can't wait for school to start – kindergarten is going to be great!

Please remind your parents that kindergarten transition days are next Wednesday and Thursday. If your last name starts with an A-L, you'll come on Wednesday. If it starts with M-Z, you'll come on Thursday. The first full day of kindergarten for all students will be on Friday.

Enjoy your last few days of summer boys and girls, and I'll see you next week!
