

This is a message for parents and guardians of Park Elementary School kindergarten students.

Kindergarten enrollment is through the roof, and last night the School Board decided to add a fourth kindergarten class at Park Elementary! Smaller classes will enable teachers to provide students with more individualized attention, so we are really excited!

Earlier this afternoon, I called parents of students who will have a different teacher than the one originally assigned. Please check your messages.

Two classrooms have been moved. Mrs. Mehalik will be in A-1, and Ms. Titmus will be in A-2.

On your Transition Day, we'll meet at the Main Street Entrance like we talked about at Meet the Principal Night. You'll have the chance to meet your child's teacher and see the classroom. Everyone at Park Elementary is excited to get the school year started, and we hope you are too! See you soon.
