

Hi boys and girls!

Fire Safety Day was great! I learned a lot about how to be safe, and I hope you did, too! The firefighters want you to please remind your parents to change the batteries in smoke detectors whenever they change the clocks.

We have some important announcements for your parents from the PTO:

- Parents please make sure your clearances are on file in the office. We cannot stress enough that you cannot volunteer if you do not have them currently on file.
- The Halloween Dance is fast approaching! You have until Monday to get your dance forms in! A huge thank you to everyone who volunteered for the dance!!! If your name is picked you will be contacted soon. We had an overwhelming number of people who volunteered. We always take our fourth grade parents first with it being their child's last year at Park. We will be putting third grade and second grade parents in a randomizer to pick the rest of the volunteers.
- Halloween Magic Night is right around the corner. Forms can be sent in until Friday, October, 18th. Also due to our overwhelming response to Halloween Magic Night we need to strongly urge parents to please keep younger and older siblings at home. This event is for kindergarten and first graders accompanied by an adult. We only have so much room due to occupancy requirements.

Have a nice weekend boys and girls, and I'll see you on Monday!
