Dear Parents and Guardians,

State Assessment Measures for the 2018-2019 school year have been released. As most of you know, Park is academically outperforming the vast majority of schools in Allegheny County, including all schools with comparable demographics and many schools in the wealthy suburbs. There are a handful of schools in front of us, and once the state calculates Building-Level Academic Scores, we will tell you which of them we crossed off the list.

Park outperformed statewide averages in all areas, and met or exceeded all state targets:

### **English Language Arts**

Met Interim Goal/Improvement Target; Increase in Performance  
Met the Standard Demonstrating Growth; Increase in Performance

### **Mathematics**

Met Interim Goal/Improvement Target; Increase in Performance  
Exceeded the Standard Demonstrating Growth

### **Science**

Met Statewide Goal  
Exceeded the Standard Demonstrating Growth

Please thank the teachers and staff for their hard work, and thank you for your support.

Sincerely,

Dr. Thomas Shaughnessy  
Principal
