Gym	Exercise / Run Around	20 minutes
Reading	Session 2	15 minutes
Art	Draw	15 minutes
Reading	Session 3	15 minutes
Music	Listen to Music / Sing / Dance	15 minutes
Math	Session 4	15 minutes
Lunch	Wash your hands good and eat	30 minutes
Recess	Play / Run Around	30 minutes
Reading / Library	Read to a stuffed animal, sibling, or pet!	10 minutes
Reading / Math	Session 5	15 minutes

Session 1

- Daily Calendar-day of week, date, year (Here's an example of this. It's a little different from what your children are used to: <https://www.youtube.com/watch?v=UXkGzjeFH88>)
- Review all letters/sounds a-z with flashcards out of order-Say "LETTER M, SOUND /mmmm/"
- Use the flashcards to build 3 letter words.
 - Adult can say a word, student builds it.
 - Adult builds a word, student reads it
 - Adult says/spells a nonsense word and student reads it & notes that it is not a real word

Session 2

- Print letters Aa-Zz out of order as dictated by adult. Make sure line placement is correct. Use pencils, crayons, markers, or whatever you may have
- Log on to ABC Mouse.com-Info is listed on Park Facebook Page

Session 3

- Review all Sight words. Feel free to add the next 5 words. They are listed on your word pouch.
- Draw a detailed picture. Students will write 1-3 sentences that relate to their picture. ADULTS SHOULD **NOT** SPELL THE WORDS FOR THE STUDENT. Tell the child to write the sounds that they hear. When they are done, the adult should write the correct spelling under the words that the child wrote.

Session 4

- Count 1-100
- Count groups 0-20-make groups of Cheerios, fruit snacks, crayons, etc.
- Take a group of objects and break it into two parts. Create an addition problem.
- Practice writing numbers 0-20, When you are done, have the child circle the number that you say. This will also review number identification.

Session 5

- Log on to Starfall.com
- Get some exercise!
