FOR IMMEDIATE RELEASE
Register Your Child Now for Kindergarten at Steel Valley School District

Munhall, PA – Kindergarten registration is now open for the 20-21 school year at Steel Valley School District. The District offers students a full-day program with after-care available too. And, all kindergarten teachers are highly-qualified with at least 10 years of experience.

Other Kindergarten Program benefits include:

• An engaging, hands on, interactive curriculum & student field trips.
• Reading at the heart of learning. At Steel Valley, kindergarten students build their vocabulary as they learn about letters, syllables and phonics.
• A personalized learning experience.
• Exposure to technology such as Smart Boards and iPads.
• Documented high academic growth.
• Title I reading support.
• Collaboration with The Carnegie of Homestead.
• Reading books to take home through a partnership with RIF (Reading is Fundamental).
• Free breakfast and lunch!

To register for kindergarten, children must be age 5 on or before Sept. 1, 2020 and live in Homestead, Munhall or West Homestead Boroughs. The child’s birth certificate, complete immunization records, and proof of residency (home ownership or rental lease & utility bills) will also need to be provided for registration.

For more information, or to register your child any time, visit steelvalleysd.org, click on the “Parents/Students” link on the top right, and then click on “School Registration” from the dropdown menu.

Have questions or need more information? For Barrett Elementary, email Alyson Fisher at afisher@steelvalleysd.org and for Park Elementary, email Brandi Chalus at bchalus@steelvalleysd.org.
