

This is a message for parents and guardians of Park Elementary students.

We have a few important announcements:

- iPads and materials will be distributed next Tuesday and Wednesday. A schedule is posted on the Park App, Park Facebook page, and Park website.
- Kindergarten Transition will be remote and will take place next Tuesday, September 8th at 1:30. A link to the Zoom session was mailed home today and is posted on the Park App, Park Facebook page, and Park website.
- On Wednesday, September 9th, students will complete a Digital Citizenship lesson in Mrs. Chalus's Google Classroom. Keep your eyes out for the invitation!
- Beginning next Thursday, students should plan to join their teacher's Google Classroom page at 8:00 each day and follow their daily schedule. We encourage all students to participate in the live instruction. Lessons will be recorded and posted on Google Classroom pages for two days, if that is not possible.
- Please see the memo regarding food distribution that is posted on the Park App and Park Facebook page.

Have a nice weekend!
