

A message from Mr. Strom:

This is a message from Steel Valley High School. As we move to our synchronous remote learning, we would like to remind students of a few important details. During this time, students will be expected to follow their schedule as if they were in school. There will not be groups as there are in the hybrid model. All students will be expected to be in their live sessions on Mon/Tue/Thur/Fri. On Wednesday, students will have the ability to contact their teachers with any questions and complete any assignments in their Google Classrooms. Attendance will be taken through a separate Google Classroom that the students should join. Also, lunches will be available at the High School from 10:00 am-12:30 pm. We are also going to have two evenings of meal distribution for families that cannot make it to the school day pick up. This will take place on Tuesdays and Thursdays from 5:00 – 7:00 pm at the school closest to you. On Tuesday, September 8th, students in grades 9 - 12 will be able to come to the HS and pickup books or any other supplies they may need. Teachers have organized these materials and deemed them essential to their lessons. Students in grades 10-12 should also bring any unreturned books from last year and their iPad as we will provide them with a new one. The iPads for 9th grade students are still being processed and will be distributed at a later date and time. During the delay, these students should use their current iPad to complete assignments and view class sessions. Information will be forthcoming. Students in 9th grade should still come to pick up their materials need for their classes on Tuesday at 9:30 am. Tenth grade students will pick up their materials at 11:00 am. Eleventh grade students will pick up their materials at 12:30 pm and Twelfth grade students will pick up their materials at 2 pm. If you are unable to attend the pickup on Tuesday, please contact the HS office and arrange a different time. Lastly, students who are attending Steel Center should plan to attend as if we are in our hybrid learning model. This means that students in the Gold Group (M-Z) will attend Thur/Fri beginning on September 10th. The maroon Group will attend Steel Center on Mon/Tue and begin on September 14th. The bus will depart from the high school at 7 am. Breakfast will be available for these students.
