Dear Families,

As I am sure you are aware, the district has had a change of plans for the beginning of the school year. Since all students will be working synchronously at home until October 5th, we have decided to move our Transition Day to a virtual format as well. We feel it is important for incoming 9th grade students to at least see the teachers they may have so they will have that chance on Tuesday September 8th at 2 pm. All faculty will be in the Zoom meeting and will introduce themselves briefly. Below, you will find the link to join our meeting. We hope to see you there.
