

Terrific job this week boys and girls! I've gotten a lot of great reports from your teachers, and I am really proud of you!

Please remind your parents that they can contact your teacher or the school office if they run into any problems. Also, the tech support number is (412) 464-3600 ext. 1551 and the email is svTechsupport@steelvalleysd.org.

Have a nice weekend boys and girls.
