

Hi boys and girls!

Nice work this week! Your teachers told me you've been working really, really hard – so keep it up!

Don't forget – you'll be getting grades this year. It won't be Pass/Fail like it was last year.

Please remind your parents that the tech support number is (412) 464-3600 ext. 1551, and the email is svTechsupport@steelvalleysd.org.

Also, please remind your parents to submit the attendance for daily.

Have a nice weekend boys and girls!
