Steel Valley School + Dragon's Den = FREE Zipline and Challenge Course for Your Children

Attention Parents: Steel Valley School District and Dragon's Den are partnering to offer FREE access to their zipline and challenge course for your children for the month of October from Monday-Friday.

Dragon's Den is an exciting and innovative non-profit whose mission is to teach children of diverse backgrounds and abilities to overcome challenges in themselves, their communities and the world.

Unique in its construction, the two-level challenge course and zipline are so much FUN and instill confidence and trust in oneself and others. Moving along on this obstacle course, children learn to maximize their potential.

Waivers are required for participation and must be filled out before your child is allowed on the course. Due to COVID-19, group sizes will be limited to 10, there will be a temperature check at the door, and masks and social distancing will be enforced at all times.

Please contact your school to book your visit ASAP!
