Since the school year began in September, Steel Valley administrators, board members, and staff have been working together to provide students the best possible education under the safest conditions while adhering to guidance issued by the Allegheny County Health Department. As educators, we know that students learn best when they attend class in person and engage with highly-qualified teachers. As the school year progresses, administration and staff have worked collaboratively to develop a hybrid class schedule. This targeted, phase-in approach is the best educational option that ensures the health and safety of our students and staff.

Beginning on Wednesday, November 4, Steel Valley School District will transition to a hybrid class schedule. During this time, students enrolled in Steel Valley will attend class for five half days. Here are some details about your child's new class schedule.

- **Maroon Group** - Students assigned to the Maroon Group (A-L) will attend class in-person in the morning, Monday through Thursday.
- **Gold Group** - Students assigned to the Gold Group (M-Z) will attend class in-person in the afternoon, Monday through Thursday.
- Friday morning will be a half day of remote learning for all students.
- Remote learning teachers will be assigned to each grade level in grades K-5.
- Students in grades 6-12 who are participating in the full remote model will be enrolled in the Steel Valley Cyber Program.
- Lunch pick-up will still be available for students enrolled in the Steel Valley Cyber Program and the students who are participating in the full remote learning model.
- If a student has an Individualized Education Plan (IEP), the IEP team will determine the best instructional option on an individual basis.
- The district will provide middle and high school special education cyber support.
- Cyber support for students will be available daily after school to assist with core content classes.

Please see the schedule(s) below for Steel Valley's high school, middle school and elementary schools. Note that the schedules for Barrett and Park elementary schools are the same.

- Steel Valley Senior High School
- Steel Valley Middle School
- Barrett Elementary School
- Park Elementary School

Administrators and staff will evaluate the district's hybrid class plan on November 25, 2020 and make adjustments as necessary.
