

Hi boys and girls!

The teachers, staff, and I can't wait for the big Halloween parade on Friday. Don't forget it starts at 1:30 and we will be going up and down Main Street between Brierly Lane and 22nd Avenue.

Please stay safe – there's plenty of space, so make sure you socially distance yourselves from others.

We can't wait to see your costumes – I hope none of them are super-scary!
