

Great job this week boys and girls! It was really nice seeing so many of you in-person.

You've all been very kind and respectful to one another, and you've done a great job following all of the new rules. Please keep it up.

I want to especially thank all the big kids in the building for setting such a good example.

As a reminder, there's no school tomorrow. Have a nice long weekend boys and girls, and let's have another great week next week!
