Hi boys and girls – I hope all is well!

 $2^{nd}$  graders, it was great seeing you this week! I had a lot of fun, and I hope you did too.

Please let your parents know there will be a PTO meeting on January  $26^{th}$  at 6:30 on 700m.

There is no school on Monday because of Martin Luther King Day. Martin Luther King was a great man who helped to make the world a better place.

Have a nice long weekend boys and girls!
