January 25, 2021

Good Afternoon,

We are beginning a new educational model for learning on February 1, 2021. Students will have the option for hybrid in-person learning or remote-only learning. Our remote-only learners will receive a combination of synchronous instruction, asynchronous assignments and remote support. Both groups include asynchronous learning days meaning that assignments will be provided in the Google Classrooms for students to complete and turn in the day that they are assigned. Please see the below schedule.

Monday	Tuesday	Wednesday	Thursday	Friday
