

Hi boys and girls!

I can't wait until next week! I missed you all a lot and can't wait to see you.

Don't forget to eat breakfast before you come to school, and to make sure you wear your mask. Please remind your parents that drop-off is from 7:45-8:00, and dismissal is at 2:35.

The teachers and I are super-excited, and we hope you are too!

Have a nice weekend boys and girls!
