

Hi boys and girls!

Next week is Seuss Week, and I can't wait. I'm going to read a good book this weekend to get ready, and I hope you do too!

Please let your parents know your daily schedule will remain the same next week. Drop off will be between 7:45-8:00, and you will be dismissed at 2:35.

We will have cones set up Monday morning for drop-off. We are asking that the first car pull all the way up to the cones. Students can exit vehicles between the cross walk and the cones that will be set-up. Students getting dropped off in front of the school should exit from the right side of the vehicle.

Teachers will be providing Zoom links to the remote-only students next week so they can continue to live-stream. If you have to quarantine please remind your parents to let the office know so we can temporarily place you on the remote-only roster.

Enjoy the nice weather this weekend, and I'll see you and your favorite hat on Monday!
