

Ronald McDonald Care Mobile

Free Physical Exams, Well Visits and Immunizations

The Ronald McDonald Care Mobile offers no out-of-pocket medical care to children and adolescents who are unable to visit a doctor regularly. Some of the services they offer are- immunizations, routine child physical exams, sick child visits and well visits. This is a great opportunity to meet PA state mandated physical exams (KG, 6th and 11th grade) and immunizations.

The Ronald McDonald Care Mobile is scheduled at the following locations and times. No appointment is necessary at most sites. **Always call the Care Mobile prior to coming to any clinic at 412-352-1059** for updated information about any weather or mechanical difficulties.
