The Steel Valley Senior Class will meet at the Steel Valley High School parking lot to line up for the car parade. Seniors are encouraged to decorate their vehicles. Prizes will be awarded to the top three best decorated cars. The Car Parade will receive a police and fire truck escort through each of the three Steel Valley Boroughs and will finish back at the high school. The parade route is listed below.

We would love for all community members to come out and line the parade route to celebrate the 2021 Senior class. We would also love for the Steel Valley staff to come to the high school to congratulate the seniors and send them off with a powerful Ironmen farewell.

We hope to see everyone on Monday, May 24th!
