

Questions for Clarification – Schiller Park School District 81

1. In the Scope of Project you state you are seeking five cameras on the five large buses (3 cameras, then 1 stop arm camera and 1 left rear top side camera). However, in the technical matrix, you state system must be at least 4 channel. Please clarify which you are seeking.

We are seeking five cameras and a system that will accommodate all five cameras on the large buses.

2.

We are only seeking three cameras.

District's Response:

Five Cameras and a system that will accommodate all five cameras on 5 large buses.

Four Cameras and a system that will accommodate 2 short buses.

One Camera and a system that will accommodate 2 Trucks.

3. Please clarify why the bid's Scope of Work is repeated as Option 1. Is there an additional Option that was omitted in the bid documents?

Yes

No

District's Response:

No additional Option was omitted in the RFP.
