March 10, 2020

Dear District 81 Learning Community,

We have been following closely all reports concerning the coronavirus (COVID-19) and the potential impact to schools. The District will adhere to all guidance and continue to take preventative measures as recommended by the Centers for Disease Control and Prevention (CDC).

School District 81 is taking the following preventative measures:

- All scheduled field trips between now and March 31st are being cancelled. We will reassess future field trips after spring break.
- The District is developing E-Learning plans to implement should a coronavirus outbreak force our schools to close. These plans must be submitted to and approved by the Illinois State Board of Education.
- All faculty and staff are being asked to complete a voluntary international travel survey to help District 81 enhance reporting capabilities.

In addition, our custodial staff has been directed to follow diligent and thorough cleaning practices; this includes daily cleaning and disinfecting with special attention given to "hot spots" (door knobs, buttons, handles, tables in the cafeteria, etc.).

Please help us by reminding your children about the importance of hand washing to avoid any illness. Ensure handwashing strategies include washing with soap and water for at least 20 seconds or using a hand sanitizer that contains at least 60% alcohol if soap and water are not available. CDC offers several free handwashing resources that include handwashing technique, and tips for families to help children develop good handwashing habits.

The CDC website, www.cdc.gov also offers information regarding travel and other preventative initiatives.

District 81 will continue to monitor this developing situation and will share any additional information as it pertains to our learning community. Thank you.

Respectfully,

Dr. Kimberly Boryszewski
Superintendent of Schools
