You can invite friends and family to join the Y at our new member-referred **20% reduced rate**. When they join, **you'll get the same reduced rate!**

Our new Member Referral rate allows current members who refer new members the ability to save 20% off the regular monthly rate EVERY MONTH for their membership type. Your friends and family also save 20% on their monthly membership rate for the membership type they choose. You do not have to share the same membership type to save.
