

CVTs, Experienced Veterinary Technicians and Veterinary Assistants

Are you looking for a great schedule, work life balance, and a 3 to 4 day weekend? Want to work with a fun, engaging, and collaborative team? Would you like the opportunity to make a great living working alongside the top specialists in the nation? If you answered yes to any one of these questions, Lakeshore Veterinary Specialists has a position for you!

About Lakeshore:

Lakeshore Veterinary Specialists was founded in 2007. It is independently owned by a like-minded group of veterinary specialists dedicated to building a highly collaborative working environment that recognizes the value and unique perspective of every team member. We promote a work environment where your opinion truly matters and where work life balance is a reality. We know that the best patient care is not possible without a happy and truly appreciated team, so we strive to be the best possible place you will ever work. This team approach to patient care has allowed us grow to three state of the art facilities in the greater Milwaukee area with the most advanced diagnostic equipment in Wisconsin. Our team of over 30 doctors includes numerous emergency clinicians with years of dedicated experience. Board-certified specialties include surgery, internal medicine, neurology, oncology, emergency/critical care, dermatology, rehabilitation, and dentistry. In late summer 2018, we will also offer cardiology, anesthesiology, and ophthalmology services. We also have over 120 of the most dedicated support team members.

Our Practice:

Offerings at Lakeshore include in-house laboratory, digital x-ray, ultrasound, endoscopy, on-site blood products and well equipped surgery suites. There is CT, MRI, mechanical ventilation, and radiation therapy/SRS in our central Glendale location.

Work Life Balance:

Located on the shores of Lake Michigan, the greater Milwaukee area offers adventures for everyone, with low living costs. Explore the city with access to some of the best restaurants, brewpubs, shops, and waterfront nightlife. Concert lovers unite at Summerfest, the world's largest music festival, just one of the many local festivals. Enjoy the great outdoors, pristine Lake Michigan beaches, or hiking and biking in the surrounding state parks. This Midwestern area offers so much more than you might expect! At Lakeshore, we treat you as an individual and we provide flexible schedules to support personal time away from the office.

Benefits:

Benefits include health, dental and vision insurance, sponsored basic life and AD&D at \$10,000 for full time employees, wellness program with healthcare rebates for healthy living, employee assistance program, PTO, up to 24 hours off for continuing education and up to \$1,500 allowance, regularly scheduled in house CE offered to all employees, uniform allowance, licensure for CVTs, discounts on pet care for up to 4 pets, employer matching 401(k) retirement plan, and quarterly profit sharing.
